STUDENT IDENTIFICATION

Name in full: **A M Tamasha Kavindi**

Registration Number: PIL/A-004317

Course Details

Diploma in English (DIE)

Course Overview

The course provides a comprehensive knowledge on reading, writing, listening, and speaking. The students will also acquire language skills required to be successful in a business environment. The student receives the certificate at the successful completion of the course.

Interactive Sessions

The Diploma involves practical lessons in the classroom. It's a combination aimed at encouraging students to develop their English knowledge along with their abilities in English.

Evaluations

Examinations

The students are given a (three hour) written paper, and an oral test at the end of the course. And also they have to complete one assignment and one presentation. Based on the marks gained, the student can be given a grading.
